## PUTTERS, PINOTS & PILSNERS

Saturday, March 22, 2014  
6pm – 9pm

*Enjoy a nice spring evening  
at the environs of the  
putting greens.*

A variety of pinots, beers and  
light hors d'oeuvres will be provided.  
Plus we will have putting games  
and mini lessons.

This event is open to all Members  
and guests, 21 and over.

\$45.00 + tax per person

Call for reservations:  
214.821.1491

Cancellation Deadline:  
Wednesday, March 19  
by 4pm

## PRESIDENT'S MESSAGE

Greetings Lakewooders:

The beginning of March means that spring is near. The days will become longer, Spring Break is around the corner, and we are one month closer to our newly reinvigorated golf course opening. There is reason to be excited, even though we live in inconvenient times at Lakewood. I appreciate the feedback that I received regarding last month's letter. I hope we will continue to enjoy our fabulous Club and each other's fellowship. Okay, that's enough chitchat, on to business.

### *Where are we with the South Project (Pool/Tennis/Parking)?*

Our last Board meeting was actually during the end of January (this letter is written toward the middle of the month). At the meeting, we decided to conduct two informational town hall meetings. These meetings will include an overview of the scope of the project (size and cost) and how to pay for it. Before the meetings, we will distribute a question and answer sheet that assimilates many of the questions that we have heard during the process. As the Board and project committees continue to talk to Members about the project, it's clear that Members have strong and varied thoughts about the project. Opinions vary regarding the priority of the individual components, whether we should pay for everything up front or over time, and to some degree whether we should do anything at all. The great news is that we will all participate in deciding what should happen at our Club. It is time for the Membership to decide the future and we expect the vote for additional funds will set the tone for

the Membership's desire to proceed or not with the South Project. In the meantime, the Long Range Planning Committee, Finance Committee, and the Board will continue to fine tune the planning and evaluate the financing available if the Membership elects to proceed.

### *How is the golf course project progressing?*

The golf course project continues to proceed on time, but that doesn't seem good enough for me. Did I mention that we live in inconvenient times? The good news is that, at this time, nothing has occurred that has delayed or that we expect to delay the project. The tours continue and are highly recommended if you want to see the improvements and ask questions of our team. The Pro Shop continues to find tee times around town, but this will become increasingly more difficult as the weather improves. We do not have enough tee times to accommodate our 500 golfers. We live in inconvenient times. Good days are ahead. Please be patient. The inconvenience will be rewarded for many years to come when our course opens.

### *The Steam Room is working, or is it? Do we have hot water?*

When is the truth, not the truth? If I heard it in the Card Room, it has to be true. I received an email one night from a friend who "heard" we didn't have any hot water in the showers; and we didn't – in one shower. It had a bad valve, which prevented turning the valve to the hot setting. We replaced the valve and the shower is operating properly. The remaining showers were functional, as were the sinks, etc.

Well, what about the steam room? The first nine days of operation, the steam room functioned

properly. On a Saturday (perfect timing), the heat sensor went out. Continuing our theme of inconvenient times, the part was not available in the DFW area and had to be shipped to us. We ordered two because this can happen from time to time and the part is inexpensive. Great, can you now promise that the steam room or hot tub will run every day forever until the end of time, or at least the specific times that I want to use them? No. I cannot. Apparently, steam rooms and hot tubs are high maintenance items. But I assure you that management does not want them to ever go down, and the Board and this member are pro steam. We all want the same thing, and while one thought is to condemn everyone involved as being incompetent, another thought is that things happen that are not within our control sometimes. What is in our control? It would help tremendously if no one shaved or ate breakfast in the hot tub or steam room, or otherwise altered the jets or valves to customize their experience; this would certainly help to ensure that the hot tub and steam room continue to function properly.

### *Coffee Talk*

Our second coffee talk with the General Manager and me will be Wednesday, March 26th from 8:30am-9:30am. Please RSVP with the Front Desk to allow for proper setups. One agenda item will be foreshadowing the South Project town hall meetings, but we are happy to discuss anything on your mind. In the meantime, thank you for your continued patronage of our Club.

*Jeff Cash*

President

## CLUBHOUSE CORNER

Wow! It seems like just yesterday that we were saying goodnight to 2013 with hopes to make 2014 that much better. It is amazing how quickly time flies! New Year's resolutions are into their third month (and hopefully still active), Punxsutawney Phil has seen his shadow and predicts a few more weeks of winter, while swimsuit season is slowly making its way to the forefront of everyone's mind. However, before time moves too quickly ahead of us, there are some events to look forward to.

Later this month, we will be hosting our Putters, Pinots and Pilsners event out on the putting greens. Enjoy the beginning of spring with some light pinots or some heavier beers and light hors d'oeuvres while competing in some friendly golf challenges. This event will take place on Saturday, March 22nd from 6pm – 9pm.

On April 25th, our good friend Gary Luchtel, from Surh Luchtel Winery, will be joining us for a dinner, pairing his fantastic wines with Chef Koval's delicious food. Gary is as dynamic as his wine, which will make for a fantastic evening. Space is limited for this event, so sign up as soon as possible. Please note that our cancellation policy is in effect, or you will be charged for the event.

By the time you are reading this, I will have been at Lakewood for just over four months and finally starting to settle in. It has been great to see some old faces again, and meet some new ones as well. I want to thank everyone for making Lakewood as welcoming as I remembered it to be and I look forward to serving you. As always, please feel free to contact me if I can make your experience here at Lakewood more enjoyable. I can be reached at 214.821.1491 ext. 203 or at [kclontz@lakewoodcc.com](mailto:kclontz@lakewoodcc.com).

See you around the Club!

*Kevin R. Clontz*

Clubhouse Manager

## MANAGER'S MESSAGE

### DINING

As we move into the spring months, al fresco dining returns. Recently, Chef Koval has added several new items to the menus, which are already receiving great reviews. On occasion, we hear that menu changes need to occur with greater frequency. All menu printing is conducted in-house and for simplicity purposes, the format, layout and font style remains the same. This gives the appearance that the menu items are all unchanged. On your next visit, take the time to read through the menu. We will also start to *italicize the new offerings*. Emailing of the Wednesday and Friday Dinner Specials has also been well received. Should you be missing these, please reconfirm your contact information on the electronic Membership Directory ([www.lakewoodcc.com](http://www.lakewoodcc.com)) and call the Office if a change needs to be made. Lastly, please note, that due to the popularity of the Family Dining Terrace and the Adult Deck, seating is on a "first come first served basis".

### YOUTH ACTIVITIES

The Fitness Center usage policy has been amended, effective March 1st, to provide younger children workout opportunities. "Children ages twelve (12) to fifteen (15) are permitted between 2:00pm and 5:00pm on Saturday and Sunday, only under the supervision of their parents". As always, we recommend that newcomers to the Fitness Center receive an orientation from Billie or Quentin.

Last year the Child Minding service hours were expanded from 2:00pm to 5:00pm, Tuesday through Saturday. Due to very little participation during these times, the service hours have been changed, and are as follows:

**Tuesday-Thursday.....7:30am-2:00pm, 5:00pm-9:00pm**

**Friday, Saturday.....7:30am-9:00pm**

In the next few weeks, you will be receiving the 2014 Summer Youth Activities booklet. Hard copies will be mailed out and the booklet will also be posted on the Club's website.

### PARKING

As the Golf Course renovation project progresses, there have, and will be times, when certain areas of the parking lot are used for equipment and material staging. The Club provides complimentary valet parking Tuesday to Sunday, during lunch and dinner, except for Saturday's at lunchtime. For your convenience, please avail yourself of this service.

### LOOKING AHEAD

We recognize the importance of timely and effective Club communications. This is critical in making your use of the Club more convenient. Over the years we have added various services, such as ForeTees for online tee time reservations, Retail Tribe for golf activity information and an online payment system. In the next few months, we will be comprehensively evaluating the Club's technology, through a third party, in anticipation of implementing improved systems.

It has been a rather cold winter for North Texas, but your participation at the Club has been tremendous. We are eternally grateful for your support. THANK YOU! For those traveling during Spring Break, be safe, and we look forward to seeing you soon!

**Ray De Tullio, CCM**

General Manager

## WELCOME NEW MEMBERS

### SHAREHOLDER

**Margaret Apgar** is an Attorney at Shields Legal Group, PC. She and her husband, Douglas, have two children, Chase and Regan.

**Nick Rossini** is in the Commercial Real Estate business at DT2. He is married to Terri Rossini.

**Bret Smith** is a Consultant of telecommunications at Simplify. He and his wife, Sarah, have four children, Savanna, Becket, Luke and Peyton.

### INTERMEDIATE

**Michael Duda** is in the Real Estate Development business at FritzDuda Co.

## IN MEMORIAM

**Mr. Elgene S. "Gene" May**  
February 2014  
Member Since April 1995

## NEW ADDITIONS

Candace and James Crofford, along with big brother, Wesley, proudly announce the birth of their daughter

**Casey Elizabeth Crofford**  
February 16, 2014, 9:52pm  
6 pounds 7 ounces  
18 and 1/4 inches long

To announce your new "special delivery", call Sheila at 214.821.1491 x202 or e-mail [sheilar@lakewoodcc.com](mailto:sheilar@lakewoodcc.com).

## SWING FROM THE PRO

### Golf Shop News

The new Nike driver, Covert 2.0, has arrived in the Golf Shop along with new fairways and hybrids. In addition to our inventory we have demos and fitting clubs with a variety of shaft options. The Covert utilizes the High-Speed Cavity Back technology which redistributes weight to the heel and toe allowing for increased speed and more stability across the face of the driver. This year's version has a re-engineered cavity allowing for more energy to be transferred to the face. The Tour version is now 460 CC with a new pear shaped style to the clubhead. Both come with second generation Kuro Kage shafts, the Silver 60 creates lower spin and more stability in the Tour head and the Black HBP 50 comes with a higher balance point for higher swing speeds without adding length. We have additional shafts to try in our fitting cart. We are happy to build you a club to try and we will be conducting demo days in the near future. The Covert 2.0 sells for \$299 and the Tour for \$399.

The new Callaway Big Bertha has arrived. Bertha is back with advanced technology that is going to make it a big hit. Using Callaway's new adjustable perimeter weighting that provides a wider range of draw and fade bias, a new hyper speed face and a forged, composite crown, it all adds up to longer, straighter shots. The Big Bertha will sell for \$399 and the Big Bertha Alpha for \$499.

We have demos of both for you to try.

We will have a complete schedule of Demo Days from all our vendors this month. Watch for them beginning in August. And remember, if you are not receiving the weekly Golf email news, contact the Golf Shop to be included.

### Junior Golf

The Lakewood Aces were back in competition last month at Brookhaven. The children were a little rusty but still came in with a 3rd place finish. Lakewood's team included Hunter Cecil, Andrew Petruzzelli, Luke Barnard, Mary Lou McMillan, Stone Thornhill and John Vassallo.

### Golf Course Update

We have gone through a stretch of poor weather that has slowed us down a bit but much of the work has continued. The photos to the left show the latest progress: drain lines in the newly lined bunkers on #8, the transfer line installation across #13 connecting the two pump stations, bunker changes beginning on #2 fairway, new creek improvements on #4 and #15, and Mr. Jim Craig our resident mastermind behind the madness in his blue rain pants!

Our bi-weekly golf course tours with Mr. Craig continue every other Thursday. We meet at the Golf Shop at 4:00pm.

### Men's Locker Room

Just a reminder than even though your golf is off campus, the MLR is still providing service. Shoe Club Service is available for \$25 per month and covers the shoes you are wearing and all your golf shoes. Single pair prices without the Club are \$5 per pair and \$10 for boots. Raul, Joe and Fidel can all help you out. The wet areas are all in business now including the steam room, hot tub and showers.

See you at the course!

*Gilbert Freeman, PGA*

Head Golf Professional

## LWGA—LADIES' GOLF NEWS

First I want to thank Ginny Bailey for hosting a fun engagement shower in February at her beautiful home for Ryan and his fiancé Kirby! It was so much fun and what a treat to meet Kirby! Ryan, you are a lucky man. This month we will kick off our 2014 golf season with a breakfast meeting on March 5th. It will be fun to see everyone again after all this cold weather! We also have golf scheduled at a location to be announced on March 12th, and on March 19th at Top Golf! March 26th will be a fabulous fashion show and lunch, which will help us to look good on and off the course.

Gilbert wants us to know that due to the poor February weather and staffing changes that have occurred, we are moving the initial three-day school to March 20-22, Thursday-Saturday. The next dates are April 22-24 and May 6-8. The times are 10:00am-11:30am for the three days. He is starting a sign-up board in the Golf Shop and will begin email promotion. The weekly, one-day clinics will begin on Tuesday March 18th. Once again I would like to remind you that our play days will be on Wednesday now, so encourage your tennis-playing friends to join in our fun! If you have not already, please renew your LWGA membership with Gloria Zapffe at 214.478.9686, or email her at [gzapffe@gmail.com](mailto:gzapffe@gmail.com). April 9th we will have another play day and will let you know where later. The Golf Shop plans tours often to see the course renovations, so just call them if you are interested. It is very interesting and informative to go on these tours, but the day I went I could have used a blanket! It was a bit chilly.

### FUN FACTS OF THE MONTH

- \* A ball you can see in the rough from 50 yards away is probably not yours.
- \* Golf can best be defined as an endless series of tragedies obscured by the occasional miracle.
- \* The youngest and oldest golfers ever to win the Masters Tournament are the same person! In 1963 and at age 23, **Jack Nicklaus** became the youngest golfer to win the Masters. He became the tournament's oldest winner when he won it for the sixth time in 1986 at age 46.

*Gail Keene*

Publicity Chairman, Ladies' Golf Association

## Join Our Winning Swim Team!

### 2014 Lakewood Piranhas Kick-Off Meeting

**Wednesday,  
April 9th  
5:30-7:30pm**

Mark your calendars for our Swim Team Kick-off on Wednesday, April 9th! We'll have coaches and seasoned swim parents on hand to answer your questions about the upcoming season. You can turn in your swim team applications and meet with representatives from D&J sports to get your team suit ordered and pick up any extra caps, suits, or goggles you might need. This is the perfect night to come and learn what the team is all about!

The Summer Swim Team Program at Lakewood is an awesome way for children to make new friends, be a part of a team, and develop new strokes and swimming skills while having a great time! If you can swim across the pool, you can swim for the Piranhas!

### Swim Meet Schedule:

June 2 .....@ Brookhaven  
June 9 .....@ KC  
June 16 .....@ Royal Oaks  
June 23 .....HP (at LCC)  
June 30 .....Canyon Creek (at LCC)  
July 6 .....Divisionals (at Loos Pool  
in Addison)  
July 13 .....All Star Meet (at Loos)  
July 15 .....Team Banquet

Questions? Email [swimteam@lakewoodcc.com](mailto:swimteam@lakewoodcc.com).

## LCC JUNIOR TENNIS

### Spring 2014 Junior Clinic Schedule

#### FUTURE STARS

(Ages 3½ to 5)

Friday, 4:30-5:30pm \$15.

The FUN-damentals!

#### ADVANCED FUTURE STARS

(Invitational)

(Age 4½ to almost 6, experience required)

Tuesday, Wednesday, Thursday, 4-5pm

\$15.

All the basics for great tennis!

#### THE YOUNG GUNS

(Ages 6 and up on the 36' or 60' court)

Tuesday, Wednesday, Thursday, 4-5pm

\$15.

Stroke production and games!

Training for match play!

#### SWINGIN' STRONG

(Full-court beginner, intermediate and

advanced players, ages 11 and up)

Tuesday, Wednesday, Thursday, 5-6pm

\$15.

Players who come from 5-6pm may elect to stay from 6-7pm \$15.

Drills and skills to prepare for match play and tournaments!

#### TOURNAMENT TOUGH

(Advanced players, full-court)

Tuesday, Wednesday, Thursday, 5-6pm

and 6-7pm \$15.

High-performance training for our tournament players.

#### THE JUNIOR TEAM WORKOUT

(10u, 12u, and 14u tournament level)

Saturday 10:30am-12pm \$20.

Two groups of drills and match play. One on a 60 ft ct, the other on a full-court.

In addition to our clinics, we offer private lessons, team play and team workouts.

**Come join us!**

## FROM THE COURTS

Dear Tennis players and fans,

Happy to have you all back on the courts after the first 'real' winter I have seen in my 17 years in Texas!

We have some terrific events planned for the year. As a player plays more and more tennis, it is always wise to keep the tennis elbow away with solid technique and fresh equipment that fits just right.

Tennis elbow is inflammation, soreness or pain on the outside (lateral) side of the upper arm near the elbow. With tennis elbow, there may be a partial tear of the tendon fibers, which connect muscle to bone, or the tear may be near where these fibers begin, on the outside of the elbow. According to the current research, an estimated 50% of adults and 70% of juniors in tennis training programs suffer serious injury and surgery. Those numbers are as jarring as the elbow pain itself! So let us put the racquet aside for just a moment so we can discuss the tennis elbow epidemic, by the numbers.

- **4** – Most commonly held causes of tennis elbow: (1) overuse, (2) poor contact point / poor technique, (3) the racquet, (4) direct hit to the side of the elbow or falling on an outstretched arm.
- **0** – Number of conclusive studies on the actual cause of tennis elbow.
- **1** – Reason there are no tennis elbow studies: no medical or tennis organization has been willing or able to provide necessary funding for a full-blown study. The closest one I have read (done by a physician in California, submitted to me by a physician who is a member here at LCC) concluded that rest was as effective or more effective as any treatment out there.
- **3** – Symptoms that signal that you have tennis elbow: When pain (1) slowly increases around the outside of the elbow, (2) is worse when shaking hands or squeezing objects, (3) is made worse when moving the wrist (e.g. using tools, opening jars, or even using a knife and fork).
- **50** – Percent of the tennis-playing public will get tennis elbow at some time in their playing lifetimes.
- **30-50, and 12-14** – Age ranges you are most likely to get tennis elbow.
- **3** – Do-it-yourself tennis elbow treatments to try: (1) Rest and avoid tennis, (2) apply ice, (3) take ibuprofen. See a doctor if these self-care steps do not ease the pain and tenderness.
- **5** – Medical treatments for tennis elbow: (1) physical therapy, (2) forearm bracing, (3) topical anti-inflammatory and cortisone gels, (4) cortisone injections, (5) surgery.
- **5** – Percentage of tennis elbow sufferers who will need surgery.
- **85-90** – Percent of those who undergo surgery actually return to the court at full strength.
- **1** – Stroke that causes symptoms on the lateral side: the backhand. On the medial side: the forehand and sometimes the serve if your contact point is lower than optimal.
- **4** – Things you should do when you return to the court: (1) Use the proper tennis racquet, (2) try a counter-force brace around the forearm just below the elbow, (3) relax your grip on the handle, (4) pay attention to movements that can cause pain.

Play lots of tennis, play it well, play it smart and play safely. We will see you on the courts!

*Adrien Chabria, USPTA*

Director of Tennis
